Hello CDPC; my name is Keith Taylor and I am very excited to accept your position as Ministry Coordinator.

Ever since I was born, New Concord and the surrounding area has always been home. My parents began taking me to the Norwich Presbyterian Church when I was an infant and it is there that I was baptized. Later, for reasons I do not know, we switched and started going to the Norwich Methodist Church and it is there where I became a member and received my call to ministry at the age of 16. However, it wasn't until I was at the age of 30 I actually answered the call and began my journey into part time ministry with the Methodist Church. I was then appointed to the Cumberland Charge and have been serving there for the past 19 years.

Yolanda (my wife) and I have been married for the past 28 years, and we have two sons Christian (24) and Caleb (21), and a grand-dog named Diesel.

Ministry should be a part of all of our lives; and Yolanda and I are excited to share the next chapter of that ministry with all of you.
